

MEDIA RELEASE

11th MAY 2009

Luxury Leisure is proud to announce a commercial alliance with RexJet Executive charter.

RexJet is Australia's preferred provider of aircraft management and charter solutions to some of the biggest names in the corporate, mining and entertainment sectors. RexJet is quite simply the leader in the aviation world.

Dedicated to setting new standards of excellence, RexJet continues to offer uncompromised standards of safety, reliability and personal service to the Australasian and Global markets.

Recognised for being an industry leader, RexJet is renowned for introducing innovative and unique services. As a result of the growing demand for supplementary services such as 'concierge style' packages, Luxury Leisure is pleased to announce a new partnership with RexJet.

When asked, the Managing Director of RexJet said. "We found Luxury Leisure's high standards, unique personal Concierge and Lifestyle Management services to be an obvious addition to our business".

Luxury Leisure offers packages that are tailored with a personal touch and a "hassle free" approach. We provide clients complete peace of mind and indulgence. With one phone call, clients have access to private aircraft charter, conferencing and event management, limousine transfers, luxury accommodation, restaurant and theatre bookings and varied personal services.

Aircraft charter has proven to be a vital part of commerce. These benefits are being discovered by more and more corporations and individuals who understand that private charter, as a business tool, provides flexible, fast and cost effective travel.

We are extremely pleased to be working with RexJet and look forward to offering our clients continued high levels of personal services and innovative lifestyle solutions.
